Paint and Post

Paint and Post: A Digital Adult and Child Art Experience

December 13, 2017 • 6:00-8:00pm

Neshannock High School Art Room • \$20 per Participant Pair

3834 Mitchell Road • New Castle, PA • 16105

Please join course instructor, NTSD Director of Technology Mr. Christopher Ferry, with your friends and family for a fun evening of digital painting and socializing while supporting the students of Neshannock Township School District! This fun event is open to both Neshannock residents and non-residents!

The art experience is designed for a child accompanied by an adult in order to create a unique work of art, utilize technology, and post to a social media site! For only \$20, each participant will create their own 8"x10" canvas painting relevant to the current month! This December we will be making Rudolph the Red-Nosed Reindeer! How fun!

This is art expression and technology integration at its best!
