STEM Camp is limited to a total of 30 students.

Registration opens March 1, 2018 and closes when camp is full.

See the registration form for additional information.

More Information

As with the previous STEM Camps at Penn State Shenango, the activities each day will be taught primarily by Penn State Shenango faculty experts.

The camp content rotates every year so that students who attended camp in 2017 can attend again this year.

This summer students will be doing a variety of hands-on activities related to the STEM fields of:

- Biology
- Chemistry
- Engineering
- Environmental Science
- Math
- Microbiology
- Technology

We will be spending two days off campus at STEM Camp:

Wednesday, June 20

Drop off and pick up your camper at Buhl Park.

Friday, June 22

Drop off your camper at LindenPointe and pick up your camper at the Shenango campus.

More information will be provided in the Camp Confirmation packet that you will receive via email in June.
