

WELCOME BACK!

Dear Neshannock Families:

Welcome to the 2017-2018 school year! Each year the PTO distributes a school calendar to each of our students. Not only does the calendar list important dates, holidays and events, but it also serves as the student handbook.

Traditionally, the calendar has been distributed to EVERY student so that each student has access to the rules, standards and procedures of our school. In an effort to save costs and eliminate wastefulness, the PTO is sending home one calendar per family. We have discovered that by sending home calendars by family, we will save at least one third of our cost, if not more.

In order to be certain that each student is aware of the contents of the student handbook portion of the calendar, we are asking parents to complete the bottom portion of this letter and return to school with your most responsible child. The PTO will be assisting the office in ensuring that each student has reviewed the handbook by collecting the bottom portion below.

If you require an additional calendar due to a family situation, please indicate that on the slip below and one will be sent home with the child you indicate.

We look forward to a wonderful year! Be on the lookout for a PTO Membership packet coming home soon. We have many exciting events and activities planned and appreciate all families who are able to give their time and talents to our students.

Sincerely,

Wendy Hutchison, PTO President
Tamara Covelli, PTO Treasurer

Ginger Ponziani, PTO Vice-President
Joslynn Tatterson, PTO Secretary
