SCHOOLGY

STUDENT GUIDE

2024-2025

The Schoology learning management system is an online platform for the digital distribution and completion of class materials, assignments, and assessments. This system is heavily integrated into the curriculum at Neshannock Jr/Sr High School and it is essential that you familiarize yourself with the platform prior to the first day of school.

Review each of the topics below by clicking the button to watch a short instructional video.

Our teachers will post a variety of course material types. This video will show you an example course layout, familiarize you with the types of materials, and review the most effective ways to navigate through course materials.

ASSIGNMENTS

Assignments are a common material type used in Schoology. They may be distributed through Google Drive templates (similar to Google Classroom) or require you to submit a file that you have created. This video will cover both assignment types and how to view assignment scores and feedback.
